Comments: (List any health issue which on-ice staff should be aware of)

An AMHL player that is offered a position on an AMHL Representative Team is required to sign an OMHA Letter of Commitment within 14 days of the commencement of tryouts. If the Letter of Commitment is not signed, the head coach, at his/her discretion, may release the player from the team and offer the position to another player previously released.

If a player is offered a position with an AA team and refuses that position, the player is released directly to House League and is not eligible to try out for the AE team at his age level. Players who refuse AA positions remain eligible to tryout with the closest A centre to Ancaster under the OMHA NRP rules. However, if they return to Ancaster, they again are released directly to House League.
